Intro to Web Design

What should you know ?

```
┌─────────┐      ┌─────────┐      ┌──────────────┐
│  HTML5  │ ───► │   CSS   │ ───► │  JavaScript  │
└─────────┘      └─────────┘      └──────────────┘
                                          │
                                          ▼
┌─────────┐      ┌─────────┐      ┌──────────────┐
│ Angular │ ◄─── │  PHP &  │ ◄─── │    JQuery    │
│         │      │  MySQL  │      │              │
└─────────┘      └─────────┘      └──────────────┘

Making a box in HTML5

```
<div id="box1">

</div>
```

Demo

Make boxes (a lot of them :-D)
